Bringing together

Step 1) Start with the white side of the paper facing up and fold in half diagonally.

Step 2) Fold in half again along the dotted line.

Step 3) Fold that flap back and...

HEAR DROPS

An online series of non-verbal, animated cartoons for an audience of children, parents and teachers. Each video contains playful ideas on sound and music that invite subtle sensory interaction. All exercises are extensively tested in Musica's practice sessions. Each episode is accompanied by an artlink that refers to the broad world of the arts.

[You can find hEAR DROPS on YouTube.](#)

Learning together

Step 4) Squash fold this flap down.

Step 5) Turn the model over, we're going to repeat the last few steps on the other side.

Step 6) Fold the flap over to the left along the dotted line.

of how doctors learn in
digital times

Experiments and probes

Step 7) Squash fold this flap down.

Step 8) You now have a completed square or preliminary base. With a few more folds we'll turn it into a bird base. Fold the side flap to the centre along the dotted line.

Step 9) Crease this fold well and then unfold it.
